## Our History

In 1921, Michele Testa, Sr. arrived in Palm Beach from Chicago, IL. He opened a small soda fountain shoppe with seven seats and a few tables-for-two in the old Garden Theater. Thanks to Henry Morrison Flagler, this era also brought the first of several million guests to TESTA'S PALM BEACH. Over three quarters of a century are reflected in photographs in our family scrapbook in our main dining room, reflecting the wonderful existence we have shared in Palm Beach. This isn't just where we've earned our living; it's been our life. With the community we've shared the great times together, raised our families, and fought hand in hand the storms and fires which have touched our area. We hope you enjoy the experience our past has provided. We express a warm thank you for joining us and for being part of our continuing history.

Cheers, The Testa Family

Delightful combination of Nolet's Gin, fresh lemon, and Champagne.

### "Sophia" Champagne Cocktail

All time classic of Champagne, sugar cube, and a good helping of Grand Marnier or as Sophia says, "Grandma".

### Mai Tai

An "Out of this World" Tiki refreshment, and true to Trader Vic's original recipe.

### Black Cherry Mojito

Crisp fusion of Cruzan Rum, Bastone muddled Luxardo cherries, mint and fresh lime.

### Paradise in a Pink Shirt

Our 95th Anniversary punch is a refreshing blend of Malibu, amaretto, cranberry and pineapple.

### "Dirty Sue" Martini

Perfectly chilled Belvedere, Dirty Sue premium olive juice, and three hand-stuffed blue cheese olives.

### Pink Lemonade

Our sunny day drink! Deep Eddy's lemon, fresh lemon and lime, and a splash of cranberry.

### Melange Manhattan

We use an all French lineup for this very special cocktail; Bastille 1789 whiskey, Chambord Raspberry Liqueur, Grand Marnier Orange Liqueur and garnished with a Filthy Brand Cherry.

### Strawberry Basil Gimlet

Stimulating concoction of fresh muddled strawberries, basil, and lime juice, served with either Nolet's gin or Belvedere vodka.

### 1921 Gin & Tonic

A splash of St. Germain liqueur added to a traditional Beefeater's and Fever Tree Premium Indian Tonic water.

### Simpson's Signature Sangria

Full bodied red wine, fresh squeezed citrus, brandy, Cointreau, a little sugar, and a lot of love make this the best red wine cocktail ever.

### Ciacci's Bistro Sidecar

Boy, what a little vanilla and hazelnut can do to an already timeless classic. Featuring Hennessy, Cointreau, Tuaca, and Frangelico.

### Maple Almond Old Fashioned

A Bulleit Bourbon Old Fashioned, accentuated with natural maple and almond flavors.

### Sazerac Cocktail

New Orleans favorite. Wafting combination of Redemption Rye, Peychaud's bitters, and absinthe.

### Pajamas Negroni

A more relaxed, citrusy version of the original libation. Featuring Aperol Aperitivo

### Testa's "Down East" Bar Harbor Slings

More exotic than Singapore, evident by their world renowned bar keepers. A happy drink of gin, berries and citrus.

### Summah Shandy

Nothing is more refreshing than fresh squeezed lemonade blended with ice cold draft beer. Add a shot of Jim Beam and make it a HOP, SKIP AND GO NAKED. It's always Summah on Testa's patio.

### Tito's Key Limeade

Made with Tito's Handmade Vodka - inspired by our famous dessert!
